

QUADRANTIDS METEOR CHALLENGE

Are you aged between 9 and 15?
And interested in Science,
Technology, Engineering, Art or Maths?

Would you like the opportunity
to get involved in some...

REAL SPACE RESEARCH?

... why not try our **Quadrantids Challenge?**

Following a successful Quadrantids observation
we now have a huge amount of data to analyse...

AND WE NEED **YOUR** HELP TO FIND THE METEORS

By listening for the echoes they produce!
